Introduction

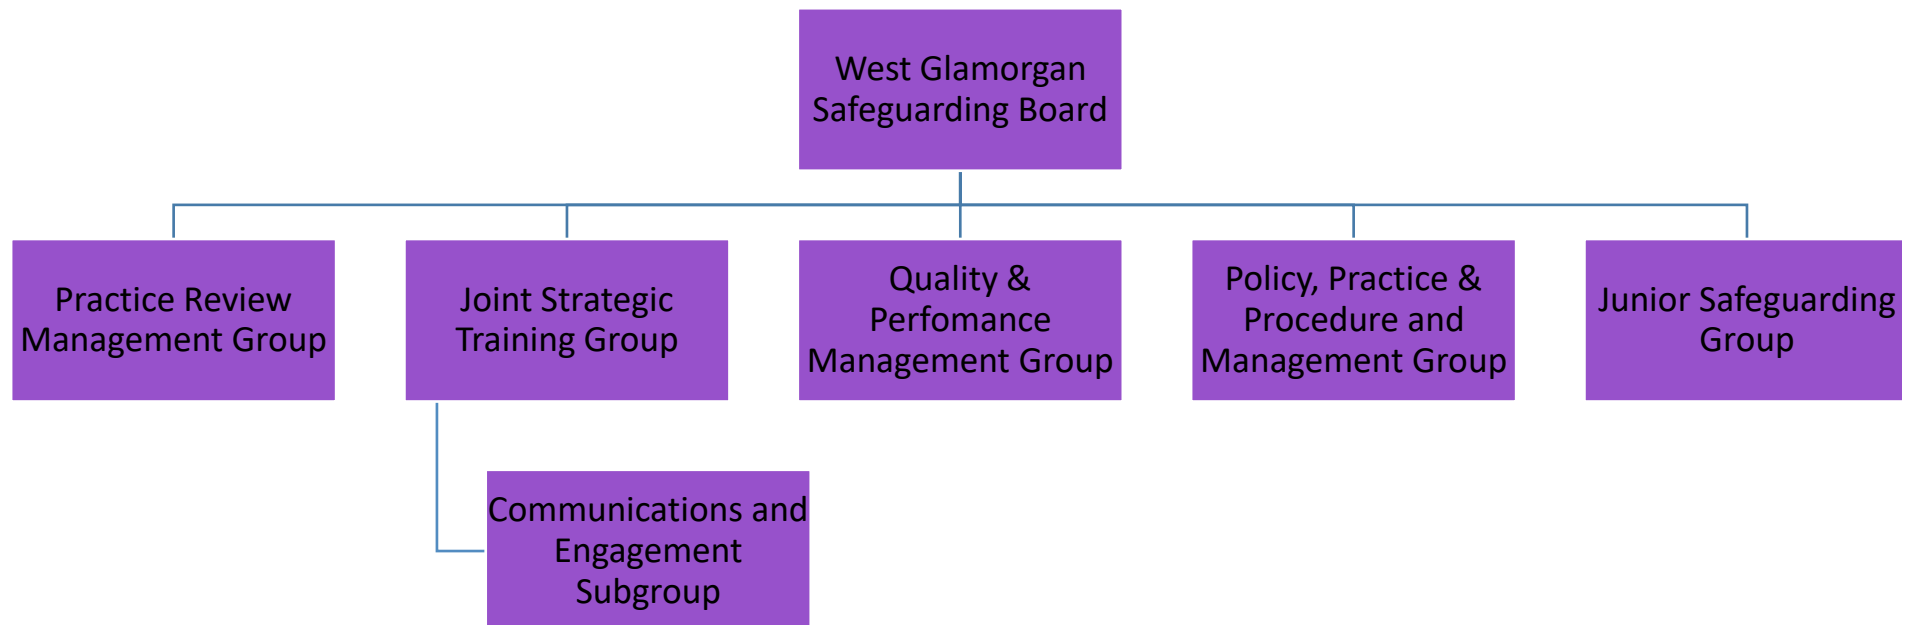

The West Glamorgan Safeguarding Board (WGSB), referred to herein as the 'Board', oversees safeguarding across Neath Port Talbot County Borough Council and the City and County of Swansea, an area with a population of approx. 389,406 (ONS data Nov 2018). The post-industrial geographical backdrop of the region is diverse, with an urban and rural spread. Such diversity brings to the fore many challenges including: poverty, inequality (Economic and Health) and unemployment to list only a few. As a region, Swansea and Neath Port Talbot Local Authority (LA) areas have the second and third highest rates of drug misuse deaths of all LAs across England and Wales (*Harm Reduction Database Wales: Drug related mortality Annual Report 2018-19*) and a high level of suicide (*Talk to me 2: Suicide and Self-Harm Prevention Strategy for Wales 2015-2020*). The WGSB is charged with the following safeguarding objective(s): to prevent and protect children and adults within its area from abuse, neglect or other forms of harm.

The sub-groups' work plans also include mechanisms on how they will engage and include people who may be affected by the work of the Board. What we propose for the coming year (2021/2022)

The last year (2020 – 2021) led the Safeguarding Board into uncharted waters: a global pandemic. As a result of this the Board changed its intended Plan for 2020 – 2021 developing a plan to respond to uncertainty. The pandemic dictated the need for a flexible approach, whilst reinforcing the need for Safeguarding to remain a priority for all agencies and organisations across the region. Much has been learnt over the course of the last year with agencies and organisations being pushed and tested to their limits in response to these unprecedented times. There will undoubtedly be much more to learn moving forward and it is not yet possible to know what impact the pandemic has had on individuals, families and communities across the region. As we will remain in pandemic status for some time to come it is important that we continue to view safeguarding through the lens of uncertainty and this is reflected in our plan for 2021/2022.

Therefore, looking forward into the new financial year our priorities will remain unchanged and will be carried forward, our focus sharpened by our experiences of 2020/21 and our motivation, commitment and resolve undeterred as we navigate the adaptive phase.

Safeguarding Priority: To ensure a robust, resilient and consistent approach to safeguarding practice during the Covid 19 pandemic			
Priority Area/Focus	What do we want to achieve?	What are the outcome indicators?	Respective Subgroup
<p>To develop a clear picture of the impact Covid 19 is having across the Region i.e. For individuals, communities, the work force and partner agencies.</p> <p>To oversee and review the efficacy of measures taken by agencies as they realign governance, processes and practice to respond to Covid 19.</p>	<p>An understanding of how Covid 19 is impacting upon Practice, Services, Families and Communities.</p> <p>Reassurance from partner agencies and organisations as they adapt to Covid 19.</p>	<p>A suite of data to allow the virus to be tracked across the region to inform response and to pre-empt safeguarding issues arising.</p>	QPMG
		<p>A suite of data to ensure changes to practice are monitored, understood and responded to by the Board.</p>	QPMG
<p>To ensure the response to Covid 19, across the region, is measured, legal and consistent and that safeguarding remains the golden thread.</p>	<p>A clear message to the public, communities, professionals and partner agencies that safeguarding at these times remains a priority.</p>	<p>Ensure our communities reduce the spread of the virus through supporting and encouraging self-isolation, social distancing and updating public and staff when guidance changes</p>	Communication & Engagement subgroup
		<p>The Safeguarding Board will ensure factual information from Public Health Wales, Welsh Government and others is distributed to keep the regional population – citizens and workforce - well informed, whilst seeking to reduce the risk of abuse i.e. online abuse and individuals being scammed/abused i.e. financial etc.</p>	Communication & Engagement Subgroup
		<p>The Safeguarding Board to encourage reviewing and developing use of technology to safeguard both staff and communities to ensure safeguarding messages are cascaded in an effective manner</p>	Business Unit and & Engagement Subgroup

		Develop training resources and online information for volunteers and all staff working at this time	JSTG
		To coordinate training on safeguarding, emergency medication and manual handling training for social workers and other appropriate employees who can be re-deployed to support home care with direct care calls	JSTG
		Develop and review regional policy, procedures and guidance on how services will continue to operate during the pandemic. This document will be circulated to all Safeguarding Board partners	PPPMG
		To provide a forum to support multi agency partners for the duration of these unprecedented times	Safeguarding Board Meetings
		To continue to undertake reviews (Adult/Child Practice/Multi Agency Professional Forums) in accordance with the guidance. Reviews/Learning will extend to identifying early learning, in respect of abuse and neglect arising over the course of the pandemic.	Business unit and PRMG
		Junior Safeguarding Board to ascertain, for example, via an online survey, how children and young people are managing at home.	JSB/QPMG
		To link in with regional groups (VAWDASV, CSP, APB etc.), including those set up across the region to respond to the pandemic i.e. Gold, Silver, Bronze, thus keeping the Board abreast of developments and assurances in respect of safeguarding per se.	Safeguarding Board members

Collaboration

The role of collaboration and participation for the Safeguarding Board is twofold. The SSWBA Part 7 Volume 1 outlines the work of the Safeguarding Board; to provide children and adults an opportunity to participate in its functions. In addition the Safeguarding Board has an assurance role in ensuring partner agencies are engaging with people and the voice of the adult or child at risk is heard across safeguarding practice. This will inevitably look different across agencies the Board has a role in the continuous audit and review of this area. The Core Business should ensure that each Management Group 'Work Plan' captures the voice of the people.

The West Glamorgan Safeguarding Board acknowledge the links between local, regional and national partnerships and the safeguarding themes that run through them. The Board will continue to forge strong working relationships with partners and organisations locally, regionally and nationally to ensure Safeguarding is on everyone's agenda. These include, Public Service Boards, Community Safety Partnerships, other Safeguarding Boards, National Independent Safeguarding Board and Welsh Government.
