The West Glamorgan Safeguarding Board (WGSB) are responsible for safeguarding and promoting the welfare of [Children](#) and [Adults](#) living throughout the region of Swansea and Neath Port Talbot. We bring together representatives of each of the main agencies and professionals who are responsible for helping to protect Children and Adults from abuse and neglect.

During the **11th** to the **15th of November**, we celebrate National Safeguarding Week. This is an opportunity for organisations to come together to raise awareness of important safeguarding issues.

Our focus remains on engaging with citizens across the region, from the young to the elderly, to help create safer communities. However, we recognise that there is more work to be done, to engage effectively with people living in the community.

Subsequently we have developed a survey, to gain a better understanding of what is important to you. Your responses will help us, to identify key safeguarding issues across Swansea and Neath Port Talbot, which will assist in guiding the future of the West Glamorgan Safeguarding Board and its' Partners.

As we move forward, we remain dedicated to overcoming the challenges we face and to enhancing our safeguarding efforts, for the benefit of all individuals in our communities.

"Together, we all have a part to play in preventing, detecting and reporting neglect and abuse."

West Glamorgan Safeguarding Board

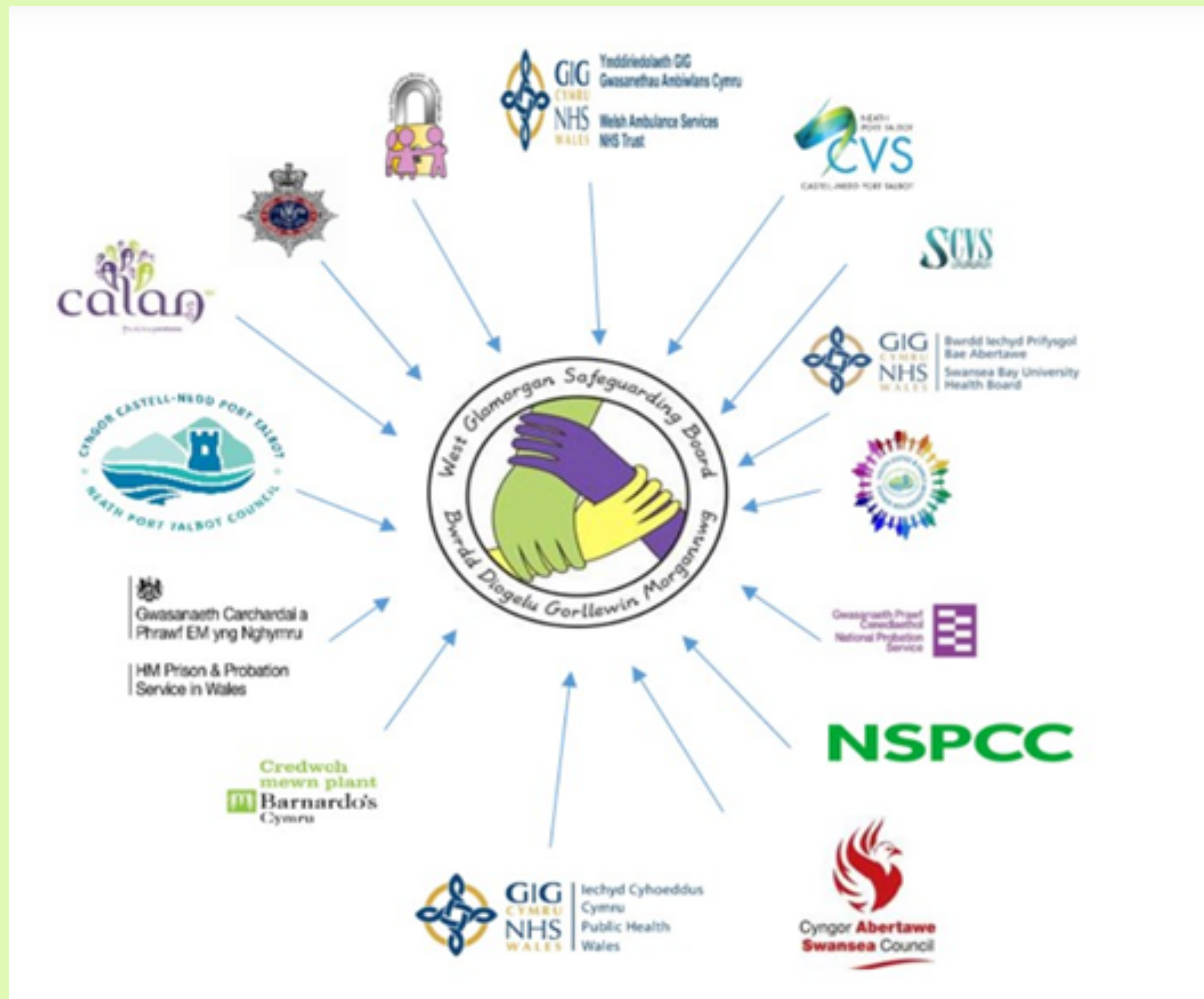

Who are West Glamorgan Safeguarding Board & what is our priority

The WGSB is a multi-agency forum which brings together representatives of each of the main agencies and professionals who are responsible for helping to protect Children and Adults from abuse and neglect.

Our priority is to ensure that Children, Young People and Adults throughout Neath Port Talbot and Swansea are protected and prevented from becoming at risk of abuse, neglect or other kinds of harm.

The Board will engage with, listen to and hear the views of Children, Young People and Adults. Safeguarding involves both the protection and prevention of Children and Adults at risk from abuse, neglect or other kinds of harm.

What is Safeguarding?

Safeguarding is **preventing and protecting people**, particularly children and adults at risk, from abuse and neglect. It involves creating a safe environment where everyone is free to express themselves without fear and are aware of their rights and responsibilities.

A Safeguarding Board is a key statutory mechanism for agreeing how organisations will co-operate to safeguard and promote the welfare of **Children** and **Adults** living in the region.

It is a multi-agency forum which brings together representatives of each of the main agencies and professionals who are responsible for helping to protect Children and Adults from abuse and neglect.

They are responsible for:

- agreeing on how the different services and professional groups should co-operate to safeguard Children and Adults
- making sure that arrangements work effectively to ensure better outcomes for Children and Adults.

What does a Safeguarding Board do ?

What is Abuse

Abuse is any behaviour, that results in the mistreatment of other. There are different types of abuse:

Sexual Abuse is:

- Any sexual activity that occurs without informed consent.
- Unwanted sexual activity, forced oral sex, indecent images and rape.
- Involves force, violence, threats, fear, or deception.
- Can happen to anyone, online or in person.

Physical abuse is any intentional act causing injury, trauma, bodily harm or other physical suffering to another person or by way of bodily contact. It involves physical violence, such as hitting, kicking, pushing, biting, choking, throwing objects, and using weapons.

Neglect is the ongoing failure to meet a human's basic needs and the most common form of abuse. A child or adult might be left hungry or dirty, or without proper clothing, shelter, supervision or health care. This can put children and people in danger. And it can also have long term effects on their physical and mental wellbeing.

Financial abuse is the mistreatment of an adult or child's money or assets. Financial abuse can include money being stolen or misused, fraud, exploiting someone's financial affairs, and restricting someone's access to money, employment or possessions.

Psychological/Emotional Abuse, is subjecting or exposing another person to behaviour that may result in psychological trauma. Including repeated attempts to make someone doubt themselves, feel inadequate, and exercise power or control over them. Victims of emotional abuse may experience low self-esteem, personality changes, depression, anxiety, or suicidal thoughts.

Institutional abuse, is the mistreatment of people brought about by poor or inadequate care or support, or systematic poor practice that affects the whole care setting. It can occur in institutions, hospitals, care homes, or in a person's own home. It can be a one-off incident or happen regularly over a long period of time. It often involves neglecting or ignoring the individual's wishes and needs.

There are other types of abuse, please click on the following links to find out more information:

LEVELLING
UP

Community conscious dog walkers in NPT are being asked to help their local neighbourhood by being the eyes and ears of the community and report issues such as **Graffiti, Dog Fouling, Faulty Street Lighting, Fly Tipping and Anti Social Behaviour and Criminal Activity.**

The Safer NPT Partnership believes that the 1000's of dog walkers within the County Borough can play an important part in keeping neighbourhoods **safer** and cleaner.

We can all help in the fight against crime and Anti-social Behaviour. Even the smallest action can have an impact. This scheme will link in with existing community initiatives such as Neighbourhood Watch and South Wales Police Community Support Officers (PCSO'S).

At no time will dog walkers be expected to intervene in any incidents. Their role will be to simply report and help gather evidence.

Each new member will receive a welcome pack containing all the information they need. Regular newsletters will be sent via email which will include up to date information on events, crime trends and advice from the community safety partnership. To find out more please see below:

PAWS ON PATROL SWANSEA

Community conscious dog walkers in Swansea can help their local neighbourhood by reporting any suspicious occurrences or incidents of anti-social behaviour.

The Safer Swansea Partnership believes that the 1000s of dog walkers within the City and County of Swansea can play an important part in keeping neighbourhoods safer.

Modern slavery is a serious crime. It encompasses slavery, servitude, and forced or compulsory labour and human trafficking.

Modern slavery victims can often face more than one type of abuse and slavery, for example if they are sold to another trafficker and then forced into another form of exploitation.

HATE CRIME

What is hate crime?

Hate crime is any criminal behaviour which appears to be motivated by a hostility or prejudice, or includes words or behaviour that show hostility, based on a person's perceived:

- race
- religion
- sexual orientation
- transgender identity
- disability

Hate crime can include verbal abuse, intimidation, threats, harassment, assault and bullying, as well as damage to property. The perpetrator could be someone unknown to you, or they could be a friend.

Hate crime can take place both in person and online.

What happens when I report hate crime?

The police, Victim Support and criminal justice agencies consider all hate crime to be very serious. If you decide to report hate crime, the police will contact you and investigate what has happened. You will be offered support via Victim Support to help you cope with the impact of hate crime.

If your case goes to court, there may be stronger sentences which can be handed out to reflect the seriousness of these types of crimes.

Not all cases will be able to proceed to court but you will be offered support to help you deal with what has happened to you regardless.

TROSEDD

Beth yw trosedd casineb?

Trosedd casineb yw unrhyw ymddygiad troseddol sy'n ymddangos fel pe bai wedi'i ysgogi gan elyniaeth neu ragfarn, neu sy'n cynnwys geiriau neu ymddygiad sy'n dangos gelyniaeth, yn seiliedig ar ganfyddiad person:

- hil
- crefydd
- cyfeiriadedd rhywiol
- hunaniaeth drawsryweddol
- anabledd

Gall trosedd casineb gynnwys cam-drin geiriol, brawychu, bygythiadau, aflonyddu, ymosod a bwlio, yn ogystal â difrod i eiddo. Gallai'r troseddwr fod yn rhywun anhysbys i chi, neu gall fod yn ffrind.

Gall troseddau casineb ddigwydd yn bersonol ac ar-lein.

Beth sy'n digwydd pan fyddaf yn riportio trosedd casineb?

Mae'r heddlu, Cymorth i Ddioddefwyr ac asiantaethau cyfiawnder troseddol yn ystyried pob trosedd casineb yn ddifrifol iawn. Os byddwch yn penderfynu riportio trosedd casineb, bydd yr heddlu yn cysylltu â chi ac yn ymchwilio i'r hyn sydd wedi digwydd. Byddwch yn cael cynnig cymorth drwy Gymorth i Ddioddefwyr i'ch helpu i ymdopi ag effaith troseddau casineb.

Os bydd eich achos yn mynd i'r llys, efallai y bydd dedfrydau cryfach y gellir eu dosbarthu i adlewyrchu difrifoldeb y mathau hyn o droseddau.

Ni fydd pob achos yn gallu mynd ymlaen i'r llys ond byddwch yn cael cynnig cymorth i'ch helpu i ddelio â'r hyn sydd wedi digwydd i chi beth bynnag.

Dioddefwyr nid troseddwyr?

Cydnabod y dylai plant ac oedolion sy'n agored i niwed ac sy'n cael eu gorfodi i droseddu gan grwpiau o droseddwyr cyfundrefnol, **gael eu diogelu ac nid eu cosbi**

Troseddoldeb Llinellau'r Sir

Codi ymwybyddiaeth o'r bygythiad i bobl ifanc ac oedolion sy'n agored i niwed ac sy'n cael eu camdefnyddio a'u cam-drin gan gangiau stryd trefol i wneud eu gwaith brwnt, gan eu helpu i osgoi cael eu dal.

Mae plant mor ifanc â 12 mlwydd oed yn cael eu defnyddio gan grwpiau o droseddwyr cyfundrefnol sy'n meithrin perthynas amhriodol â nhw ac yn eu danfon ar draws siroedd yn cario cyffuriau, arfau ac arian.

Victims not criminals?

Recognising that children and vulnerable adults who are forced to commit crime by organised crime groups should be **protected not punished**

County Lines Criminality

Raising awareness of the threat to young people and vulnerable adults who are coerced or forced by urban gangs to do their 'dirty work', helping them evade detection.

Children as young as 12 years old are being ruthlessly groomed and exploited by organised crime groups who traffick them across counties carrying drugs, weapons and money.
